Devon Advocacy Consortium

Helping you to get information and to say what you want

What is the
Devon
Advocacy
Consortium?

The Devon Advocacy Consortium works with people over the age of 16 across Devon. We work with people with learning disabilities to speak out and say what they want and get what they need.

What can we help you with?

Complain when something goes wrong.

Make sure your voice is heard.

Get the care and support you want.

Ask for changes to the care you get.

Be on your side and help you understand what is happening.

What can we do to help you?

Write letters to people for you.

Speak to people on the phone for you.

Go to meetings with you to help you say what you want to say.

We can't...

Make choices for you.

Do things without your permission.
